I,

found this / these rabbits and would like to keep them. I would like the assistance of THE Rabbit Resource in order to seek initial emergency care.

Name (s) / identifying color or trait:

I understand that by doing so,

- I will be listed as a foster owner at the vet's office.
- I will be responsible for half of the total bill for the emergency care.
- I will be responsible for the cost of any follow up treatments and appointments, including spay or neuter costs.
- I can ask TRR for hands on help and advice at any time and to help schedule spay or neuter.
- Should I decide to relinquish ownership, I will contact TRR and work with their volunteer to find foster placement, which may not be an immediate intake.
